

Street Sign

I can read STOP.
That's easy for me.
I know STOP is spelled
S-T-O-P!

When I walk to school
Every day it's what I see...
That red and white sign that says
S-T-O-P!

Please have your child practice reading this poem. We are working on pointing to each word while saying it out loud. Your child can color one square and/or place a sticker in a box for each time the poem is read.
